

COMMUNITY COMBINED MINISTRIES

2021-2022 Kidz Power Pacs Permission Slip

Dear Parent/Guardian,

We, as Community Combined Ministries, are aware of hard times, unexpected life changes or life emergencies. We created a non-profit 14 years ago, Kidz Power Pacs, which is a ministry designed to help ease parents and children's worries about food over the weekend, breaks and summer. We work closely with the schools that we serve, area churches, other non-profits and volunteers to provide this service for the children K-12.

By each Friday, during the school year or until your family is no longer in need, your child will be given a Kidz Power Pacs. This bag will contain a variety of nonperishable items to help compensate over the weekend or breaks. Few examples: soup, ravioli, little cereals, applesauce, pudding cups, mac and cheese to name a few.

If your family would benefit from this ministry and you would like your child to participate please sign below and return to your child's school. **Please include any food allergies or strict diets for the child. Detailed allergy bags will be marked however it is still the parent/guardian responsibility to check all items before the child consumes any of the food. Filling out this form is acknowledgement of this responsibility. Please contact the school counselor or Kidz Power Pacs directly if there is an issue with an detailed allergy bag.**

A form must be filled out for each child and returned to that child's school. Listing siblings below is for informational purposes and will not substitute for another child receiving Kidz Power Pacs. A summer form will be sent home with your child at the end of March. If you do not receive a summer form please contact your child's school.

Thank you — we look forward to serving you!
