

Donald Russler Lindsay

The late Donald Lindsay was a 1930 graduate of Martinsburg High School. While at Martinsburg High School he excelled in both basketball and football. He began his volunteer activities shortly after graduating while working at Potomac Edison. Don was very involved in getting the first lights for night games at Cobourn Field. He was the “official timekeeper, clock and scoreboard operator” for over 43 years. He volunteered his time, money and lent his support to Martinsburg High School for over seventy years! Mr. and Mrs. Don Lindsay were in attendance at every MHS sporting event up to his passing in 2000. Don Lindsay is the epitome of a true Martinsburg High School athlete and sports fan.
