

Matthew Morrison

Matthew Morrison is a 1992 Martinsburg High School Graduate. Matthew was the first wrestler from Martinsburg High School to win a state title and to date is still the only student athlete to hold this title. While at Martinsburg High School he not only excelled academically but was the senior class president, president of the student council, president of the Good Times show2 Choir, the captain of the Bulldogs Football Team and was a member of the Air Force Junior ROTC Program where he served as commander.

Matthew's one wish while at MHS was to attend the Air Force Academy. He was nominated by the late Senator Robert C. Byrd and received an appointment to the Academy. While there he lettered in football and wrestled. He graduated from the United States Air Force Academy in 1996.

After graduation from the Academy he was selected as outstanding officer at each of three bases he served. After fulfilling his obligation to the Academy and adding a few extra years Matthew left the military ranked as captain and remained at his job at Scott Air force Base in O'Fallon, Illinois. He is currently a civilian contractor where last year he was selected as outstanding civilian employee of the year and went on to win the district and regional competitions at each level and placing in the top five nationally.

He resides in Troy, Illinois with his wife Diana. He and his wife attend Central Christian Church where Matthew serves as a deacon and board member. He continues to use his education and inspiration that he received at MHS as he is the leader of the youth group at his church.
