

## Todd Hoffmaster

Todd Hoffmaster is a 1983 graduate of Martinsburg High. As a student, Todd started assisting the Bulldog basketball program as a statistician and scorekeeper. Little did he know that 37 years later he would still be on the job.

Todd graduated from Shepherd University in 1986 with a Bachelor of Science degree in Accounting. Upon graduation, he worked for the late Bruce Van Wyk for 17 years. Todd is currently employed by the Center for Orthopedic Excellence as Chief Financial Officer, but you will find him on the sidelines of every basketball game keeping stats as the official scorekeeper. Todd has volunteered countless hours of his time to the Bulldog basketball program.
