

Parents/Caregivers viewing grades through the Schoology app

Click the three horizontal lines

Click My Children

Click More

Click Grades

Need to see grades for another student?
Click here to switch between your students

Click Grade Report

Go to the Current tab and click on the courses to view grades.

Did your student change courses the second nine weeks and now you can't find the 1st nine weeks course? The course is still available, it is listed under the "Past" tab instead of the "Current" tab.

Elementary parents/caregivers viewing the breakdown of the ELA grade

Follow the steps above and then for the ELA course follow the steps below

Click ELA...

Click YEAR ...

Click Nine Weeks...

The grades for each category will show to the right. This is an example for grades 3-5.

Grades 1 and 2 will have Reading 70% and Writing/Language/Spelling 30%.
