Attendance

Brick Attendance

Greetings Applemen “Brick” Students and Parents!

As we approach the start of the 2020/2021 school year, we want to touch base with you and make you aware of Musselman High’s attendance expectations. Each year our goal is to improve student attendance, and with the variety of options provided to students for content delivery, we believe that we can make great strides in getting our attendance rate closer to 100%!

Here are a few things you need to know about “Brick” attendance:

- Students are expected to be in school, on time, daily.

- Students will arrive between 7:50 am and 8:20 am.
- Upon arrival, students must immediately report to their first class of the day.
- It is extremely important that students not congregate prior to their first class.
- Teachers, Secretaries, Administrators, Counselors, and Attendance Workers will be monitoring “Brick” attendance daily and will be reaching out to students and parents when absences occur.
- If a student is absent for any reason, a note from the parent or physician, must be provided.
- To reduce the exchange of paper notes, all “Click” and “Brick” student absence notes must be photographed and emailed to applemenattendance@gmail.com
- Notes must include the following:
 - Student Name, Date of Absence, Reason, Parent Name, Parent Phone Number
 - If you have any questions or concerns, please do not hesitate to contact the school!

Though it will look a bit different, we can’t wait for school to be back in session!

Click Attendance

Greetings Applemen “Click” Students and Parents!

As we approach the start of the 2020/2021 school year, we want to touch base with you and make you aware of Musselman High’s attendance expectations. Each year our goal is to improve student attendance, and with the variety of options provided to students for content delivery, we believe that we can make great strides in getting our attendance rate closer to 100%!

Here are a few things you need to know about “Click” attendance:

- Students are expected to login to each Schoology class on a daily basis, following the schedule that has been developed. A failure to login daily will result in the same disciplinary and legal consequences for students and parents as those students attending in the “Brick” setting.
- Students are expected to make every possible effort to login at the time the class begins.
- Parents can have an enormous impact on student attendance by checking in with their student daily.
- Teachers, Secretaries, Administrators, Counselors, and Attendance Workers will be monitoring “Click” attendance daily and will be reaching out to students and parents when absences occur.
- If a student is absent for any reason, a note from the parent or physician, must be provided.

- To reduce the exchange of paper notes, all “Click” and “Brick” student absence notes must be photographed and emailed to applemenattendance@gmail.com
- Notes must include the following:
- Student Name, Date of Absence, Reason, Parent Name, Parent Phone Number
- If you have any questions or concerns, please do not hesitate to contact the school!

Though it will look a bit different, we can't wait for school to be back in session!
