MONDAY ACTIVITIES

We are excited to start our grade level Monday activities next week. We have had a large response and ask for your assistance and patience as we hold our first large events in 2 years.

Please park in our lot and the gravel area of the lodge hall. We will be using Door #10 near the fire hall to enter the building and proceed to the Cafegymatorium.

Each week, we will start our program promptly at 5:00 pm. After the program, we will form a line to go through the “lunch line” to pick up dinner. Weather permitting, ice cream will be served outside the cafegymatorium doors so that you can enjoy the fresh air and socialize on the playground if you wish.

Thank you in advance for your support of our first of many “reopening” events.

2022-2023

As we approach the end of the school year in just 19 days, we are looking towards the 2022-2023 school year. The tentative start date is August 22nd. Through a generous donation, instructional supplies will be provided for Back Creek Students...feel free to stock up on tissues and ziplock baggies for classrooms next year.

Be ready to read this summer! The Summer Reading Challenge is to read 1,000 pages before school starts back in August. Forms will be sent home with students on May 27th.
