Many more details will be provided to seniors and their families as graduation approaches. The main graduation packet (permission slips, video, and slideshow order forms, specific dates, etc.) will be given out the first week of March.

General Information Regarding Graduation

- A. **GOWNS:** Both males and females will be wearing a newly designed gown with our schools crest. If you have not ordered your cap, gown, and tassel unit, contact Jostens and order by phone 1-800Jostens, email Mrs. Holly Sidwell, our Jostens representative at Holly.Sidwell@jostens.com, or order online at www.jostens.com
- B. **CLOTHING:** Girls are asked to wear solid colored cresses (no print; no jeans or pants) underneath their gowns. Dresses should comply with the school dress code, be shorter than the gown, and not show in the V portion of the neck. Guys should wear a white or light, solid shirt, dark tie and dress pants.
- C. **SHOES:** Girls should wear black dress shoes. Guys should wear dark dress shoes and dark socks.
- D. **GUESTS:** Because graduation is such an important day in your life, we are hoping that you will understand our desire to make this day special in every way. Take the opportunity to share these guidelines with your family and friends.
 - The ceremony will be moved indoors if inclement weather, with very limited seating. Seniors will be issued only four tickets if the ceremony is moved indoors.
 - Graduation may be long and uninteresting for small children.
 - Accommodations for guests who require special arrangements because of a handicap (wheel chairs, etc.) will be made. That information will be collected in March.

SPECIAL NOTE:

*If the dress requirements above place a financial burden on any student and his or her family, please notify Mrs. Robertson in the main office by January 29.
All arrangements must be made with her by that date.*
