

2015-2016 By the Numbers

Back Creek Valley Elementary School

Our School

Steve Dellinger, Principal

At Back Creek Valley Elementary School, our “Appleseed” Family works with accountability, integrity, and respect to plant the seeds of knowledge that will bloom for a lifetime. An excellent staff of 4 National Board Certified Teachers and 10 additional outstanding teachers provides personalized instruction to ensure that every child succeeds. We are home to very successful after school clubs: Math and Science, Fitness, Art, Garden, and Reading. We have a terrific partnership with the Bank of Charles Town in Hedgesville and a very active PTA. Each quarter, we recognize approximately 75% of our students for honor roll, attendance, effort, and completing seasonal reading challenges. Our extended school community provides the extra degree of effort to allow each student at Back Creek Valley to flourish!

Our Vision

Planting seeds of knowledge.

Our Mission

Back Creek Valley is to provide educational excellence for all.
