

2015-2016 By the Numbers

Hedgesville High School

Our School

Ron Lyons, Principal

First established in 1884, Hedgesville High School has grown from a small rural school to a large school with a small community school feel. We offer a wide variety of both academic and extra-curricular programs for our students. We have an extensive Advanced Placement course offering, as well as a number of dual credit college courses to help our students get an early start on college. We are pleased to have many career technical course offerings for students who wish to pursue a more skilled pathway. HHS is proud of our academic successes with over 77% of our graduates pursuing post-secondary educational opportunities. Creating opportunities in and out of the classroom is critical to making our students ready for life after high school.

Mission

ABC's of HHS: Always Positive, Building Futures, Changing Lives!

Core Belief

All students can learn and will be given the opportunity to fulfill their potential in a positive, safe, and supportive learning environment. They need to be prepared for post-secondary opportunities.

Excellence is in the AIR

We believe we are **accountable** for the learning and achievement of every student.

We believe in achieving with **integrity**.

We believe that **respect** for self, others, and school creates a safe environment for learning.
