

ROSEMONT ELEMENTARY

“BY THE BOOK”

Welcome to Rosemont Elementary School! A new school year is such an exciting time for students, staff, and parents. The early years of school are pivotal ones for children. These years are a time of significant growth both academically and socially. What your child will accomplish is so incredible! Teaching children to read is a remarkable process.

We encourage parental involvement every step of the way. When all of us work together, our accomplishments can be limitless. Please join the PTA to support our students and staff with activities and events throughout the school year. You will have numerous opportunities to volunteer your time and talents in a variety of ways. We look forward to helping your child fully achieve his or her potential as a Rosemont Rocket!

Sincerely,
Erica Propst, Principal

Parent Visitation/Volunteers

Please call the office by 9:30 AM so that we can let the cafeteria staff know you will be coming. Some of the activities include the PASS program, PTA projects, library helpers, activity coordinators, classroom helpers, etc. All visitors or volunteers must park in the Westview Baptist Church parking lot which is located on Louisiana Avenue.

Parent Teacher Association (PTA)

Parents are such an important part of making a school excellent. We hope that you will join and participate in activities sponsored by the Rosemont Elementary School PTA. Parental and staff involvement is important to the academic success of our students. PTA information will be sent home periodically to update the parents and staff of the organization's events. Also, a membership form is included on the website. We look forward to working together!

Newsletter

An electronic newsletter from the office will be issued monthly. A message will be sent when the monthly newsletter is available. Our newsletter includes upcoming events, achievements of students, and general information. Please read each newsletter and stay involved with our activities at Rosemont Elementary. This information will always be posted on our school website. (A paper copy may be requested.)

Personal Property

The only items a student should bring to school are those necessary for schoolwork. **This means that ALL toys, stuffed animals, mp3 players, video games, cell phones, non-requested money, etc. should be kept at home.** We request that all these items be left at home because many times a toy will be misplaced or broken at school. The school is not responsible for items that are lost and/or damaged during the school day or on the bus. If any toys or electronic devices are visible or make noise during class, the item will be sent to the office and will need to be picked up by a parent or guardian.

Emergency Card Information

Please fill out both sides of your child's emergency card completely and carefully. If your child becomes ill at school and we need to reach you, this information is critical. Please list any medical conditions that your child may have so that our school nurse is aware of this information. If any of the pertinent information changes during the year, please keep us updated by sending a note.
