

AN APRIL 'ACE'

Each day teachers, staff and volunteers enter school buildings where they make tremendous impact and support the students in our community. During this week's Board of Education meeting, Berkeley County Schools' Board and Staff were proud to honor April's ACE (A Caring Educator) - Kim Herman of Spring Mills Middle School. Thank you for your dedication and commitment to the success of our students.

BIZ ED PARTNERSHIP LEADERSHIP ACADEMY

The Business Education Partnership leadership program is a mentoring program open to graduating seniors from Berkeley County's four high schools. Students are selected by an application process each September. This year's students worked in groups to create presentations in support of local non-profit needs. Winning presentations were awarded grants to be used by their non-profit to implement plans created by the students. This year's winning group supported Read Aloud Berkeley County and included Jaelin Cochran – Hedgesville High, Noah Slack – Martinsburg High and Maria Sobinovskiy – Hedgesville High.
