

Mountain Ridge Intermediate Parent-School Compact

Teachers, Parents, Students- Together for Success

Adopted for the 2019-2020 School Year

The parents and children participating in activities, services, and programs funded by **Title I, Part A (Title I) of the Every Student Succeeds Act, previously as amended (ESEA)**, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

At School

Mountain Ridge Intermediate will work with students and families to increase achievement in reading and math.

- Provide time to meet with parents to share concerns, and help develop home activities that correlate with school activities.
- Provide an instructional learning environment where each child can develop his or her individual abilities to the fullest extent to meet the state's challenging student performance standards.
- Provide a safe, secure environment conducive to learning in which parents are welcomed to volunteer.
- Provide homework assignments that build on classroom learning.
- Provide frequent reports such as report cards, interim reports, standardized test results, homework folders, or bimonthly work folders, to parents concerning their child's performance.
- Provide extended learning opportunities that will help develop individual thinking and reasoning and promote classroom excellence.
- Provide opportunities such as Open House, Conferences, etc. that will enable parents to become involved in their child's learning experiences.

Student Goals

Mountain Ridge Intermediate students helped develop ideas about how they can succeed in school. Students thought of the following ideas to make connections between learning at home and school.

- Work with my family to complete and turn in all class and homework assignments.
- Show good manners, respect for self and others, and make responsible choices.
- Encourage my parents to read the classroom newsletter found on Schoology.
- Remind my parents about Family Fun Nights and other school events.

At Home

Mountain Ridge Intermediate parents developed ideas about how families can support students' success.

- Instill the importance of attending school by sending your child to school regularly and on time.
- Be a positive role model and encourage your child to model the same behavior
- Establish a study time and monitor homework
- Make an effort to meet with your child's teacher at scheduled sessions and/or before concerns become a problem.
- Encourage reading at home.
- Feel welcome to volunteer in your child's classroom and participate in all school activities.
- Check at the school webpages and check the links for reading and math schools.
- Visit your child's Schoology page to see classroom newsletters and updated grades.
