I (*name*) _____, a teacher/administrator at (*school*) _____ will be pursuing at least 16 hours of training to earn the Trauma Sensitive Teacher Certification through the classes provided by The Martinsburg Initiative. As a part of the certification process, I give permission for The Martinsburg Initiative to observe me in the classroom, collect data from my students and use my classroom's data for their research. All data will be deidentified and coded to protect myself and my student's confidentiality. I will receive feedback and coaching through the school year as requested. I understand that I can write to The Martinsburg Initiative to remove myself from the project at any time.
